

SETTLERS—SALT-LICK RESERVATION—TENNESSEE.

[To accompany bill H. R. No. 95.]

MARCH 5, 1840.

Mr. BUTLER, of Kentucky, from the Committee on Private Land Claims, made the following

REPORT:

*The Committee on Private Land Claims, to whom was referred the petition of certain settlers on what is known as the Salt-lick reservation, in the western district of Tennessee, report:*

That the petitioners ask the extension of an act of Congress, entitled "An act for the relief of certain settlers living on what is called the Salt-lick reservation in the western district of Tennessee," approved on the 3d day of March, 1830, so as to include such persons as were actually settled on said reservation in 1838. That this reservation has become a part of the public domain, appears manifest from the report made by Mr. Harlan, from this committee, on the 19th of February, 1839. It is also certain that similar relief has heretofore been granted to all persons residing on this reservation previous to 1830. And as this committee are unadvised of any good reason for making a distinction between the former and the present petitioners, they report a bill for the benefit of the latter.

SETTLERS—SALT-LICK RESERVATION—TENNESSEE.

March 5, 1860.

Mr. Butler, of Kentucky, from the Committee on Private Land Claims, made the following

REPORT:

The Committee on Private Land Claims, to whom was referred the petition of certain settlers on lands known as the Salt-Lick reservation in the western district of Tennessee, report: That the petitioners ask the extension of an act of Congress entitled "An act for the relief of certain settlers living on what is called the Salt-Lick reservation in the western district of Tennessee," approved on the 3d day of March, 1830, so as to include such persons as were actually settled on said reservation in 1838. That this reservation has become a part of the public domain, appears manifest from the report made by Mr. Hartman, from this committee, on the 19th of February, 1839. It is also certain that similar relief has heretofore been granted to all persons residing on this reservation previous to 1830. And as this committee are unadvised of any good reason for making a distinction between the former and the present petitioners, they report a bill for the benefit of the latter.
